PHONES OUT OF CLASSROOMS SECURITY LOCKED IN

DISCOVER OUR **NB32T** LOCKERS:

More control, more focus, more security. Perfect for the temporary storage of mobile phones in hallways, classrooms or shared spaces.

With more and more schools around the world restricting mobile phone use in primary and secondary education, Nautilus has developed a practical and economical solution: the NB32T lockers, designed to store up to 32 phones in a safe and organized way.

TRANSFORM THE SCHOOL ENVIRONMENT WITH A SIMPLE GESTURE

Invest in a solution that promotes focus, reduces conflict, and strengthens safety.
